## BASIC FACTS

- The University of Economics in Bratislava (UEB), established in 1940 as the Slovak Higher School of Commerce, is one of the most important educational and scientific-research institutions in the Slovak Republic.
- The University provides higher education in the field of economics and business in Bachelor's, Master's and Doctoral programs for full-time and part-time students.
- Science and research form an integral part of the university's activities. Every year competitions for the best student research projects on the faculty, university, and international levels are organized. The University of Economics in Bratislava is member of EDAMBA (The European Doctoral Programs Association in Management and Business Administration).
- The development of international cooperation with universities, enterprises, and institutions from the whole world is one of the priorities of the University. International mobility is provided under the Erasmus European program and the CEEPUS Central European program. The university cooperates with more than 150 universities from abroad through bilateral ERASMUS agreements, as well as within a framework of other agreements. The cooperation includes student and teacher exchanges, common research projects, publications and participation in scientific conferences and workshops. The University has been involved in many international projects within European Union programs such as TEMPUS, Leonardo da Vinci, Erasmus, the European Social Fund and others.
- The University is a member of various international institutions such as: the EUA – European University Association, the EAIE – European Association for International Education, IUA – International University Association, EFMD and others.

- Department of Business Informatics and Mathematics
- Department of Foreign Languages

## STUDY AT THE UNIVERSITY

In compliance with the Bologna Process and starting in the 2005/2006 academic year, study at all Faculties of the UEB has been organized on the three-level system of tertiary education:

- **1st level – bachelors degree** 3 years; full-time and part-time study; graduates obtain the degree of BA/BS (Bachelor)
- **2nd level – masters degree** 2 years; full-time and part-time study; graduates obtain the degree of **Ing.** (Inžinier) equivalent to **MSc** (Master)
- **3rd level – doctoral study** full-time study (3 years); part-time study (5 years); graduates obtain the degree **PhD.** (Philosophiae Doctor)

The accredited study programs guarantee the graduate profile through the compulsory subjects. Students can choose additional optional subjects that enable their own specialization. The ECTS credit system of study is applied on all three levels of study. The teaching of subjects is provided by experienced professional lecturers from relevant departments, some of them from abroad.

**Communicative competence in Slovak** is a prerequisite for full-time study for foreign students who study in compliance with international agreements. UJOP UK ([www.ujop.sk](http://www.ujop.sk)) is a specialized institute that provides the teaching of Slovak for academic purposes.

## STUDY IN FOREIGN LANGUAGES

The university offers three **degree programs** for the second level (masters degree) taught in foreign languages:

- **International Finance Management (taught in German)**
- **International Management (taught in English)**
- **Management of Sales (taught in French)**

and for the first level:

- **Foreign Languages and Intercultural Communication (taught in English and German)**

The university offers also the opportunity to study **selected courses** in the following foreign languages: English, French, German and Russian. Courses in Spanish are being prepared.

The **Study Program in French**, conducted in cooperation with the University of Pierre Mendès France in Grenoble, and the **Study Program in German**, in cooperation with the University of Martin Luther in Halle Wittenberg, allow students to obtain certificates from foreign partner universities.

## FACILITIES AND STUDENT LIFE

- The University of Economics in Bratislava is located on a new and modern **campus** in Bratislava (Petražalka). This campus meets all of the demanding requirements that are necessary for teaching and research, as well as for meals and accommodation. Lecture halls, classrooms, laboratories, computer rooms, special language classrooms, library, bookshops, etc. are available for all students.
- The University of Economics in Bratislava provides **accommodations** for its students in several student dormitories situated directly on the campus of the university, just off campus and throughout the city. It is able to house approximately 3,500 students.
- Student **catering** is provided on the campus of the university. There is a self-service dining hall with a wide selection of hot meals, along with several cafeterias and snack bars with fast food, as well as vending machines with hot and cold drinks.
- **The Buddy system** is a student organisation that helps new students from abroad to become acclimated to life in Bratislava.
- **The university sports club EKONÓM** provides recreational and sporting activities (ball games, tennis, hockey, karate, swimming, skating, aerobic, etc.) in residential and other sports facilities. Many of the University's students have won renown in international sporting events.
