Ardagh Group www.ardaghgroup.com

Ardagh Group is a leading diversified packaging business that operates 87 facilities in metal, glass and engineering across 25 countries. We design, make and sell glass and metal packaging. Ardagh Group represents 14400 employees with sales over 3,2 billion EUR.

Scope of internship

- Research and analysis of market and internal information for the Group Procurement Managers (Aluminium, Steel, Chemicals, Packaging and Travel)
- Day-to-day and project tasks related to dept. needs (supply chain, procurement, logistic, event...)
- Preparation of key information and participation in negotiations with suppliers.

Main competencies

- High level of English (French is recommended but not compulsory)
- Good level of Excel, PowerPoint and Internet search
- Analytical and synthesis skills
- Personal motivation and self discipline to organize and perform work with minimal direct daily supervision
- Positive and energetic

Education & experience

- First internship accepted
- Ideally Business School or University background

Looking for joining us?

Due to French law, Ardagh Group can only recruit students that must perform an internship required by their University/School, for the validation of their studies.

Please send by e-mail (to: marc.julien@ardaghgroup.com) the following information:

- School - University marks or evaluation details
- Application letter
- CV (in French or English)
- Preferred starting and ending date of the internship.
