

Naše organizace, Dutch-internship.com, by Vaším studentům ráda nabídla jedinečnou možnost praxe v Nizozemí. Poskytujeme stáž v anglickém jazyce, ve které je vše zahrnuto (bydlení, jídlo/pití, kolo, ...)

Rádi bychom navázali s Vaší školou spolupráci a umožnili tím studentům kvalitnější podmínky pro zahraniční stáž. Zároveň bychom Vás chtěli požádat o předání této zprávy zodpovědné osobě, pokud vy nejste tím, kdo by nám mohl poskytnout zpětnou vazbu na níže přiložený email. Děkujeme za Váš čas.

S pozdravem

Dear Sir/Madam,

Our organization, Dutch-internship.com, is specialized in assisting international students from all around the world. We offer various positions to students such as marketing, sales, management and also IT (including webdesign, graphic design, etc).

Our internship program runs all throughout the year, lasting from 2 weeks up to 1 year, therefore giving your students the freedom to choose their start and end dates in order to fit with their academic schedule.

As you already know, it is sometimes difficult for students to find an internship in a foreign country and to organize their experience (job title misunderstanding, accommodation issues, culture, etc). At Dutch-internship.com, we provide all-inclusive internships, which means we organize everything from the start of the internship to the end (housing, food/drink, mobile phone, etc...).

In order to make the process easier and give your students the opportunity to gain a professional experience in an English speaking company, we would like you to answer these questions:

Can you estimate how many students per year from your university do an internship abroad?

When do they usually start and finish their internship? (what year, which periods, etc)

How do you pass information on to your students? (bulletin boards, website, via teachers)

Please feel free to contact us or visit our website if you need more information about our project.

I would like to thank you in advance for your reply.

Kind regards,

Konrad Kirsch
