

## Marketing Inspiration Summer School 2019

at the VSE Campus in the town of Jindřichův Hradec, University of Economics, Prague

The Summer School aims to provide in-depth knowledge and skills in the given field as well as the opportunity to be a part of an international event with students from all around the world. The Buddy Programme gives the participants a unique touch with the local community.

The academic part of the Summer School offers two courses in two weeks (amounting to 6 ECTS) for each of the participants. The courses can be chosen from a [given portfolio](#). The social part of the Summer School consists of many extracurricular activities focused on the Czech culture and locations worth visiting in the Czech Republic.

The Campus Jindřichův Hradec itself is located outside the capital - in a beautiful South Bohemian town of Jindřichův Hradec (160 km south from Prague). The Campus is housed in modern, yet cosy premises. The Library and the friendly atmosphere are considered the biggest advantages of the Campus, giving the students a unique experience of the combination of studies at a renowned Czech university and the enchanting spirit of the town of Jindřichův Hradec.
