

Dear students,

Greetings from Tampere, Finland!

Tampere Summer School will take place 1 – 16 August 2019. Tampere Summer School is a great opportunity for students and graduates from all over the world to attend international summer courses and explore Finland. Participants can participate in one or two different courses and gain up to 10 ECTS during the summer school, and of course experience the beautiful summer in Finland.

Additional application round for Tampere Summer School is **10 June – 17 June** for those courses that still have room left after the main application round. Please follow [our website](#) for updated information regarding courses available.

The Summer School courses follow the curricula guides of the organizing higher education institutions, and they can be easily included into Bachelor or Master degrees. Also PhD students are welcome to apply!

Please do not hesitate to contact us if you have any questions regarding our summer programme. We hope to meet you here in August!
