

Hi and greetings from Finland!

The summer school of 2021 provided by **Haaga-Helia University of Applied Sciences** is here and we welcome you to dive into trending topics such as Doing Business in the Nordics, Circular Economy, Digital Business and Innovative Service Design. All tailored for any internationally minded student. We will also provide you with a cultural splash of both **Finland and Helsinki** in this fully virtual summer school organized from [19th of July until the 30th of July.](#)

The summer school enables you to **develop your talent** and earn ECTS credits, **meet new friends and get a feel of Finland** by modern virtual e-learning exercises and pass-time activities offered outside the virtual classrooms.

More information about the courses, prices and registration is available at the [Summer school website.](#)

In case you have questions, please do not hesitate to contact summerschool@haaga-helia.fi
