matters**

Join our summer program and
earn credits while discovering
new places, cultures, and making
friends from all over the world!

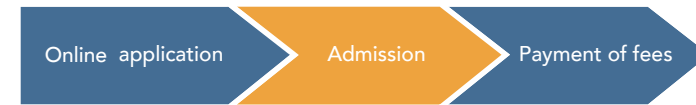

Why attend our Summer Program?

Established in 1995, MCI is among Austria's leading institutions of higher education. In our summer program, we will offer a number of international business courses with new additions from the discipline of engineering. Talk to your academic advisor to see how credits earned in our summer program can be transferred to your home university (e.g. as regular courses, as electives, or simply to fulfill a study-abroad requirement).
