

## Erasmus+ Trainee at the CZU Welcome Centre for International Scholars

Czech University of Life Sciences Prague (CZU)

Period: 1 Sep, 2022 to 31 Dec, 2022 (flexible)

### General information

Duration: 4 months

Commitment: Full-time

Description:

CZU Welcome Centre for International Scholars, as a part of the CZU International Centre, offers its services to international employees of CZU Prague. Services include assistance with visas, relocation of relatives, finding accommodation, health insurance or taxes.

CZU Welcome Centre for International Scholars also organises free time activities, such as trips, visits, yoga classes, etc.

Your job would be to help with all the activities mentioned above. For example, searching for accommodation offers, visiting the Czech authorities, and helping with everyday life situations.

The dates of the Erasmus+ traineeship are indicative. Longer stays are preferred. In case of mutual satisfaction, the stay can be prolonged.

Requirements:

- Great English language knowledge - preferably C1 or high B2 level.
- Great communication skills - don't be afraid to talk in front of people or to strangers.
- Good organisational skills - there will be trips and events to organise.

A trainee has to have their own financial support, preferably via the Erasmus+ programme.

Previous experience with an international environment is welcomed. Czech language knowledge (even passive one) is also welcomed.

This traineeship offers a great opportunity to get a new experience in an international environment at one of Europe's leading life-science universities.

**Compensation:** No financial compensation (preferably the Erasmus+ programme)
